

JL24478G

The collage consists of six images arranged in two rows. The top row shows three different exterior views of a modern villa with a swimming pool. The villa has a white facade, large glass windows, and a covered outdoor area. The pool is surrounded by a paved deck and green lawn. The bottom left image shows a blue sports car parked in front of a stone-clad section of the villa. The bottom right image is a detailed architectural floor plan of the villa, including a swimming pool, surrounded by a green lawn and landscaping. The floor plan includes room labels in Turkish and a scale bar.
